A Fair Settlement Is... No Accident

Accident & Injury

Experience - Commitment- Results

Terry Dugger

Experience.

For years we represented Insurance Companies. Now we only help injured persons and their families. When a serious injury occurs in your family, you need a law firm experienced in handling sensitive and difficult cases. We are well-versed in dealing with insurance companies, and we know where and how to find hidden details that make a difference.

Commitment.

Your case is important and we treat it that way. **WE PROMISE:** (1) If the law and facts entitle you to recover damages-we can help; (2) To keep you informed about your case; (3) To always return your calls; (4) To guide you through the process and thoroughly answer any questions; and (5) To resolve your case to your satisfaction as quickly as possible.

Results.

Our substantial trial experience serves to maximize client recoveries, often through favorable settlements outside the courtroom. We have successfully represented hundreds of folks and their families. We appreciate the opportunity to be of service and most of our clients are referred to us by former clients. Before you talk to the insurance company, call us first or you may make a permanent costly mistake.

Going to Rehabilitation at a Local Nursing Home?

You Must Read This Now!

You will likely be in rehabilitation for 2-12 weeks before returning home.

After getting out of rehab, many people call an elder law attorney to get an asset protection plan after this close call in a nursing home. This plan protects their home and savings from the devastating costs of a future nursing home stay. At $5,000-$7,000 per month, how long would your savings last?

Once their plan is in place they must wait 5 years for their home and savings to be 100% protected.

But if you act now (before you leave rehab), your home may be 100% protected in just 1-3 years.

But You Must Act Now!

This is because an asset protection plan done while you are still in rehab usually results in the home being protected in just 1-3 years . Imagine your home being protected from nursing home costs and Medical Estate Recovery in just 1-3 years from now... but you must act now before you leave rehab.

Has your loved one been in a nursing home for 2 or 3 years? It is not too late to protect whats left of their home and life's savings. There are ways to protect 50%-100% of their home even if they are on Medicaid and Medicaid is currently paying the nursing home and their home is their only asset. It's not too late to plan.

Dardanelle Area Chamber of COMMERCE

Nestled between Mt. Nebo-Lake Dardanelle and the Arkansas River, we have the finest fishing, hunting, camping and breathtaking scenery to be found in Arkansas.

Due to the increasing growth of industry in Dardanelle and the ideal location of our city for retirement and our excellent schools and beautiful churches, we are one of the fastest growing little towns in Arkansas.

We invite you to tour our area, see our beautiful mountains, visit our many lakes, rivers and parks with hunting, public access areas and camping and boating facilities. We hope you will, as many others before you, fall in love with our land and come to live with us.

Preparing for an Emergency Makes Sense.

The likelihood that you and your family will survive a house fire depends as much on having a working smoke detector and an exit strategy, as on a well-trained fire department. The same is true for surviving a terrorist attack or other emergency. We must have the tools and plans in place to make it on our own, at least for a period of time, no matter where we are when disaster strikes. Just like having a working smoke detector, preparing for the unexpected makes sense. **Get ready now.**

1 Get a Kit
of Emergency Supplies.

2 Make a Plan
For What You Will Do in an Emergency.

3 Be Informed
About What Might Happen.

4 Get Involved
in Preparing Your Community.

Find out how by visiting
www.ready.gov
or calling 1-800-BE-READY

What Is Mobile Marketing?

SMS Text Message Marketing is being integrated into all of the Downey® Publishing Directories offering an innovative, exciting and convenient way to receive money saving incentives and coupons directly to your Mobile Telephone! Simply go to the Yellow Page listings and look for local business advertisements featuring the "Mobile Marketing Call to Action" button displayed in participating business advertisements. People who choose to interact with SMS Text Message marketing advertisements and campaigns incur no premium or special charges for texting in – it's simply a standard rate text message as part of the user's cellular provider agreement.

IT'S AS EASY AS A.B.C. ...
